Studio Performance

Dance Partners students from Grades 3, Inter Foundation, Intermediate & Advanced present a short studio performance.

We welcome all families and friends supporting our hard-working senior school and encourage all the little ballerinas to come and meet our beautiful dancers at the end of the show.

Graduation Ball is a single-act, light-hearted comic ballet.

The Ballet is set during the 1840's at a fashionable Viennese girls finishing school where the students are preparing for the graduation of the senior class.

Both senior and junior girls have been anticipating this event and are greatly excited by the pending celebrations.

We welcome you to the ballroom as the girls are getting ready for evening.

The students present a series of fun and happy divertissements in the ballroom including a playful and lively competition

A highly-spirited galop brings all the students together and the evening to a grand finale.

Please enjoy the performance.

Jazz and Contemporary Mid year Showcase

Wednesday 26th June 5.00-6.00pm

It is great to see all the students settling in so beautifully with Miss Talia and working hard towards their mid year showcase.

This was a new idea that Amy and I had discussed last year and Talia is excited to be putting it together and presenting with the students.

We thought it was important for not just the students but also parents and friends to see where and how the program progresses. So rather than just have individual viewing of classes the students over the 3 levels will perform pieces of class work and then short performance pieces from Jazz & Contemporary.
